

# YOU ROCK! SERIES

Nationally recognized by the International Book Awards and Best Book Awards

Young readers embark on an adventure-filled quest and discovery of friendship, kindness, self-acceptance, fitting in, and accepting self plus educational fun-facts and the healing properties of gemstones. Each story revolves around Crystal and her beagle buddy, Noodle, and all the characters they meet.

Young readers, parents, and teachers will enjoy the full color, creative format, the life lessons of each story, and the incorporation of gemstones and their meaning in daily life. The *My Thought for the Day* and journal element within each story gives an encouragement for journaling. A helpful resource for home and classroom.

5 x 8 - 102 pages – full color interior  
 ISBN 978-1-7365946-0-5 soft cover \$15.95

This fun and inspirational companion guided journal includes pages for reflection, sharing thoughts, doodling, and coloring. Each journal page contains an encouraging quote and writing prompt on topics including self-acceptance, acceptance of others, sharing, doing what you love, feelings, and emotions.

8.5 x 11 108 pages  
 ISBN 978-1-7365946-2-9 soft cover \$9.95

**Lisa Fontanella** loves writing and rocks. A wannabe rockhound, Lisa has spent many years learning about rocks, their properties, and feeling their energy. What better way to blend two of her passions - write a children's book about rocks! She is a Reiki master, holistic practitioner, and certified Life Coach.
